Scholastic Book Fair

We have a great opportunity to begin or finish off your holiday shopping at the book fair at the Scholastic Book Fair, which will run **December 8th to 12th**.

Each day, students will be able to purchase books from the Book Fair. On Friday, December 5th, all classes will have a **preview** time to come and look at the books. During the first break (11:15-11:55), students from JK through Grade 3 can make purchases. During the second break (1:35-2:15), students from Grade 4 to Grade 8 can make purchases. On Monday, December 8th, Tuesday, December 9th, and Wednesday, December 10th, the Book Fair will remain open after school from **4:00pm until 6:00pm** for families to come shopping together, or even separately, depending on what works best for your family. The last opportunity for students to make purchases will be during the break times on Friday, December 12th.

Throughout the Book Fair, payment can be made by cash, debit card, VISA, and Mastercard. American Express is not accepted.

Your support with the Book Fair helps us to furnish our Learning Commons/Library and classroom libraries with resources which are current and exciting for students to learn from.

Helping our Community

As the holidays approach, we are often filled with excitement about sharing time with those who mean the most. This time often includes extra food compared to our normal food. This can also include gifts. During these holidays, we want to ensure that families within our community have what they need to make these celebrations bright. We have until the end of the week to collect non-perishable food items, hygiene items, warm, winter gear (hats, mitts, scarves), as well as unused gifts and gift cards in small denominations. These items will be collected by the Blenheim Ministerial Association, which will then distribute these donations to families in need.

Winter Holiday Break

Classes will wrap up on December 19th. We will then see everyone back to begin 2026 on Monday, January 5th. We sincerely wish everyone a warm holiday season filled with celebrations.

Holiday Humour What kind of math do Snowy Owls do best?
